## Administration Message

February flew by with many school events including Valentine's Day, and the wrap-up of our Grade 7 and 8 basketball schedules. During February we focused on the theme of kindness and on February 22<sup>nd</sup> we sported our pink shirts to stand up against bullying.

As we head into March, we have a few more fun events ahead. On March 15<sup>th</sup>, students in Grades K-5 will be participating in a Read-A-Thon, while our 6-8 students will take part in Activity Day. March 2<sup>nd</sup> marks the end of Term 2, with report cards going home on Thursday, March 16<sup>th</sup>.

With only a few weeks until March Break, there is still much to accomplish in and outside of the classroom. When the three weeks are up, we are wishing all of our RTCS families a wonderful and restful break. We will be excited to see our students return on April 3<sup>rd</sup>.

Mr. Fehlauer & Mrs. Pickles,  
RTCS Administration.

## School Uniform Help

School Uniform Help – Please wear them! We are looking for some support from home to ensure that students are arriving each and every day wearing their school uniform.

## Morning Drop Off

Parents are requested not to drop off students before our morning supervision begins. Supervision for students begins at 7:30 am. The exception to this is if your child's sports coach has requested for students to attend an early morning, pre-arranged practice.

## Grade 5 Parent Night

On Wednesday, April 12<sup>th</sup> at 6:00 pm we will be hosting an in-person parent night for Grade 5 families. We will be sharing information on the pillars of middle school and answering any questions you may have. We look forward to seeing everyone in person!

## Band Concert

Parents/guardians are warmly welcome to watch the RTCS music students perform on Friday, March 3<sup>rd</sup> at 1:00 pm in the multi-purpose room.

Concert attire for music students is their RTCS black polo shirt and black pants or skirt.

## Parking Lot Procedures

We know that parking is at a premium in the morning and at the end of the day. Please make sure you are not parking in the through lanes, bus lanes, or in no parking areas.

Here are a few points to keep in mind:

1. Please only drop off/pick up in the drop off/pick up lane. If there are no spots open, you can park in the parking lot to drop off/pick up, or circle back.
2. The drop off/pick up lane is for students who are getting in or out quickly. Please do not get out of your vehicle in this area.
3. Please do not stop to drop off your student in the through lane. This is a huge safety issue and causes traffic backlog.
4. Please do not park on the inside of the bus loop. This is a no parking area and again we have witnessed students having close calls jumping out of vehicles into the through lane of traffic. We have also seen students run through traffic in these areas.
5. The crossing guard may wave you through even when students are waiting in order to keep traffic moving. Please follow the direction of the guard.
6. Finally, please be kind and patient with us and each other. This is a necessary change, and we all want your children to arrive and depart school safely.

### Yearbook Reminder

Just a reminder that there is still time to order your school yearbook. The cost of the Yearbook is currently **\$45.00**. Yearbooks can be ordered from the school office. Purchase your yearbook now to avoid possible disappointment in June – we have had yearbooks sell out in past years.

### Magazine Donations

A few of our staff members are currently looking for magazine donations to be used for class projects. All magazines must be of school appropriate content. Some examples are: Better Homes & Gardens, Canadian Living, arts and crafting magazines, outdoor living, automobile, or motorcycle magazines, etc.

All donations can be dropped off at the school office. Thank you!

### Get to Know Rugby

Have you ever wanted to learn how to play rugby? On Monday, March 6<sup>th</sup> and Wednesday, March 8<sup>th</sup> at lunch time, we will be hosting two mini-sessions in the gym for our Grade 6-8 students. Boys and girls in Grades 6, 7 or 8 are welcome to attend. See you there!

### Kindergarten Registration

Kindergarten registration is now open. Please register your child as soon as possible to secure your spot in your home school. Spaces are filling up fast! You can register using the following link:  
<https://sd33.bc.ca/registration>.

### Read-A-Thon (K-5)

On Wednesday, March 15<sup>th</sup> students in Kindergarten to Grade 5 will be participating in our annual Read-A-Thon. This year students will get to enjoy an afternoon of reading in the Library. Students are welcome to either read library books, their own books, e-books, or magazines. Students are also allowed to bring pillows, blankets, and stuffies.

Pledge envelopes will be sent home the week prior. Your donations in the past years have helped purchase hundreds of new books and other resources for our Library. Thank you for your continued support!

### Crazy Sock Day!

On Thursday, March 9<sup>th</sup> all students in Grades K-8 are encouraged to wear mismatched socks in celebration of World Down Syndrome Day. Mismatched socks will be for sale on Monday, Tuesday, and Wednesday that week for \$4.00 a pair. An interesting fact about Down Syndrome day is that it is actually celebrated on March 21<sup>st</sup> as it is the 3<sup>rd</sup> strand of the 21<sup>st</sup> chromosome! Students are encouraged to bring a twonie to raise funds for the Fraser Valley Down Syndrome Society.

# School District No. 33 Parent Advisory Councils (PAC)

## What is PAC & Who Can Join?

PACs are the recognized collective voice of parents and are forums within each school community to discuss matters affecting your school and the education of your children.

Parents' voices and support are a tremendous value to their school. They offer a wealth of ideas and support in the challenges that face all public schools.

All parents/guardians of students in School District No. 33 schools are automatically members of their school PAC.

## The Purpose of PAC:

- To advocate on behalf of parents and students, advise the principal and staff on parents' views and feedback and promote co-operation between home and school.
- To communicate with parents, provide parent education and assistance in accessing the system and to encourage parent involvement.
- To provide financial support for the goals of the PAC, and organize PAC activities and events.
- To advise and participate in the activities of the DPAC and the BCCPAC.

## Fundraising?

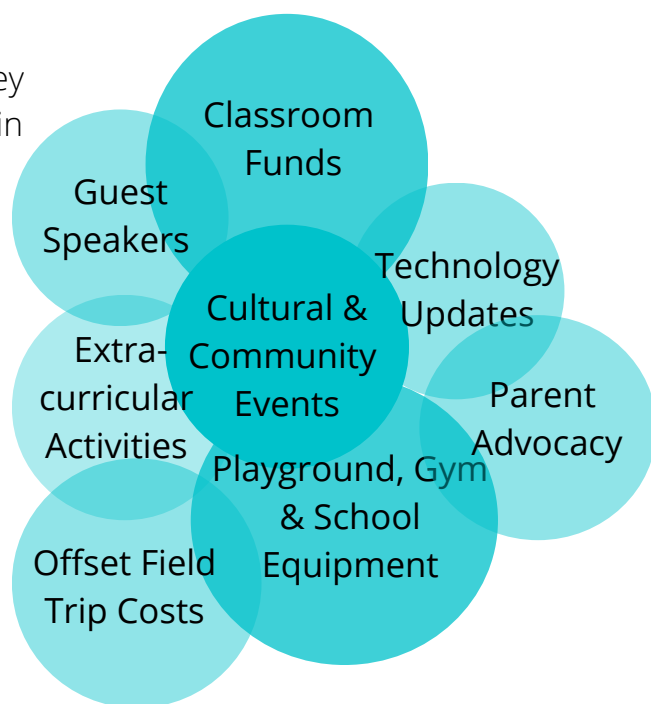

Fundraisers are not the main purpose of a PAC, but they can be fun and effective ways support community within the school. They help to ensure there are adequate funds to support our students and staff and offset the costs of extra classroom supplies, playgrounds, and much more!

## Advocacy & School Support:

In addition to various fundraisers and community building events, PACs often advocate for parent concerns, organize the school's Hot Lunch Programs and assists with other initiatives like the Fruit and Veggie Program, Library Support and Lost & Found organization.

## How to Get Involved:

Each PAC is unique. Participating in PAC meetings are the best way to be a part of what's going on in the school. Many PACs use social media and emails to reach parents as well! Contact your PAC Executive or school Principal to see how you can get involved!

# MARCH READS

## Rosedale Indigenous Education March Newsletter

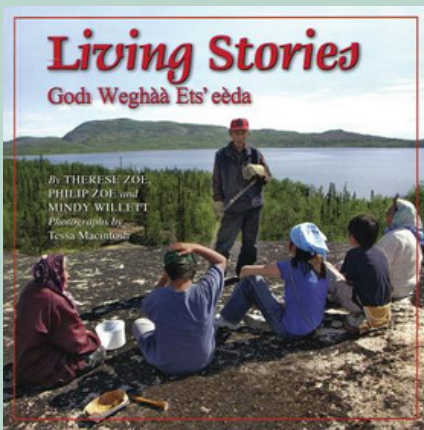

When the seasons change, things all around us change, too. Learn about the changes on the land, shifts in weather, and the different activities people enjoy during each season in Clyde River, Nunavut.

In *A Magical Sturgeon*, *The Sturgeon, Spirit of the Great River*, eludes human fishers until two young sisters neglect to follow their mother's instructions. What follows provides a moving exploration of the importance of Sharing and Kinship with all other living things. In the water sat a sturgeon, born there, so they say, thousands of years ago, though the sturgeon themselves have been here for two hundred million years. It was at first a little egg, a big egg, born into the river. Now the sturgeon is back but how did it get here? How did the first sturgeon come to be? Earth and the river, moons and suns and clouds. Time, thousands of years and the Skwó:wech has seen it all. But what gift does the sturgeon have for us?

This book co-authored by Therese Zoe, Philip Zoe, and Mindy Willett offers elementary students a First Nation's perspective about the lifestyle and cultural heritage of the contemporary Tlicho (Dogrib) community in the Northwest Territories. This picture book contains first-hand information about the community of Gameti through the stories and words of Therese Zoe, her brother-in-law Philip Zoe, and Philip's sister, Elizabeth Chocolate. The book contains 50 colour photographs of the people living on the land and sharing their traditional knowledge with their children and grandchildren. Topics covered include the meaning of the community's name, their modern day treaty, their geography and environment, the Tlicho flag, summer activities, ancestral trails, health and healing, teachings about giving thanks, how to dry fish for preserving, making a birchbark basket, role of traditional and modern education, stories, place names, and the importance of Elders and their transmission of knowledge. The book includes 2 map of the Tlicho land area, and a glossary of terms. The part biography and information book shows that First Nations of the North can live successful lives engaged in traditional activities while maintaining the environment for future generations.

*The Barren Grounds: The Misewa Saga*, is the first book in this epic middle grade fantasy series by author David Alexander Robertson, a member of Norway House Cree Nation. In *The Barren Grounds* Narnia meets traditional Indigenous stories of the sky and constellations. Morgan and Eli, two Indigenous children forced away from their families and communities, are brought together in a foster home in Winnipeg, Manitoba. They each feel disconnected, from their culture and each other, and struggle to fit in at school and at their new home -- until they find a secret place, walled off in an unfinished attic bedroom. A portal opens to another reality, Askí, bringing them onto frozen, barren grounds, where they meet Ochek (Fisher). The only hunter supporting his starving community, Misewa, Ochek welcomes the human children, teaching them traditional ways to survive. But as the need for food becomes desperate, they embark on a dangerous mission. Accompanied by Arik, a sassy Squirrel they catch stealing from the trapline, they try to save Misewa before the icy grip of winter freezes everything, including them.
