Administration Message

It's hard to believe that we are coming to the end of another year. Although we only have a few weeks left, there are many events happening around the school. Please continue to monitor the calendar, watch for announcements, and check our website for updates. We do want to say thank you to those who have contributed to a successful year. Firstly, we want to thank our PAC who have supported the students all year with fundraising, providing students with snacks and meals, and creating positive experiences for our students. We would also like to thank the Rosedale Community Society for their ongoing support to our school. We are so fortunate to have this amazing partnership. Finally, we would like to thank our parents and guardians who entrust us with your students each day. Your support is appreciated! On behalf of the staff at Rosedale Traditional Community School, we want to wish you all a fun, safe summer.

Mr. Fehlauer & Ms. Charlie,
RTCS Administration

If you have any concerns regarding your child's account, please reach out to Mr. Fehlauer, RTCS Principal, at brian_fehlauer@sd33.bc.ca, or by contacting the school office (604-794-7124).

Library News

Thank you, everyone, for your support of our library this year! With PAC, Scholastic, and Read-a-Thon funds, not only have books been updated and re-organized, but great games and activities have been brought in as well. I'd like to send huge thanks and gratitude to an amazing team of student volunteers who have relentlessly shelved books and done various jobs to help the library run more smoothly. What is a Community School?

Community Schools in British Columbia are elementary or secondary schools with a special emphasis upon the belief held by residents and staff in the value of community involvement. The Rosedale facility was built in partnership with the City of Chilliwack and deemed a Neighbourhood Learning Centre. NLC's are inviting places where people of all ages can access education, community services, recreation and culture seven days a week, twelve months a year – places that promote the well-being of children, families and the entire community.
