Administration Message

Welcome back, everyone! We hope you all enjoyed a wonderful Spring Break with your families.

The final three months of the school year offer a valuable opportunity to reset our learning intentions and goals. This last stretch is always filled with both meaningful learning experiences and many fun events for our students. As always, please continue to reach out to teachers or administration if you have any questions or concerns about your child's learning.

This is also the time of year when we begin planning for the upcoming school year. Staffing, timetabling, and grade-level programming are all on the horizon. We are continuing to accept online registrations for the 2026–2027 school year.

Warm wishes,

Mr. Fehlauer & Ms. Davis,
RTCS Administration.

Kindergarten Registration

Kindergarten registration is now open! To secure a spot in your home school, please register as soon as possible at <https://sd33.bc.ca/registration>.

Stay Connected!

We encourage all families to stay involved and engaged. Here are some ways to stay connected with us:

- Reach out to your child’s teacher
- Check our **school website** and **Facebook** page for updates
- **Volunteer** in your child’s classroom
- Attend a **PAC meeting** — your voice matters!

Together, we can continue to build a strong, supportive school community.

Parking Lot

We know that parking is at a premium in the morning and at the end of the day. Please make sure you are not parking in the through lanes, bus lanes, or in no parking areas. Our drop-off area is just outside the library. If that is full, please park in the parking lot to avoid unsafe situations and blocking off traffic. Please use the crosswalk and crossing guard when moving back and forth between the parking lot and the school.

Drop Off

Supervision for students begins at 7:30 a.m. Please do not drop off your students or have them walk to school before supervision begins. We also ask that if you are using the drop-off lane, that you remain in your car. This will keep traffic flowing. If you need to get out of your car, please park in the parking lot.

End of Day Pick Up

We are doing our best at the end of the day to ensure that students get to their busses on time, or for those that are picked up by a parent, that this happens safely. To reduce congestion, we ask that students and parents do not congregate at the front entrance so students can get to their bus or car without walking through a crowd. Students who are getting picked up by a car are asked to wait on the sidewalk in front of the library. We also ask that students who are walking, biking, or scootering home, to leave the campus right away. Those waiting for late buses are asked to wait on the playground and to avoid the front entranceway.

UPCOMING EVENTS

..... Start of Grade 8 Fine Arts & ADST Rotation 5

Grade 5 Parent Evening

We invite all Grade 5 students and their families to join us for an information evening on **Tuesday, April 21st at 6:00 PM** in the Multi-Purpose Room. This session will focus on the transition to RTCS. Teachers and current students will be available to answer questions and help address any concerns about moving to middle school. Uniform samples will also be available for families to view.

Cell Phones

While students may bring cell phones to school, they should not be used during the school day without teacher permission. If you need to contact your child during school hours, please call the office and we will assist in locating them. We appreciate your support in reinforcing the district-wide cell phone policy for elementary and middle school students.

Uniform Reminder

As we head into the final stretch of the school year, we ask for your support in ensuring that students continue to wear their school uniforms consistently. Students are also reminded that hats and non-school hoodies should be removed once inside the building.

Division 4 Fundraiser

Division 4 is selling freezies on April 17th and April 29th to raise funds for their "Transit Trip". Cost is \$1.00 for half a jumbo freezie. Elementary students can pre-order up to a week before through their classroom teacher, and Middles can purchase in the lobby at lunch time on the day of. Thank you for your support ❤️

Library News!

Did you know that regular reading can boost writing skills, spark creativity, expand vocabulary, reduce stress, and even support mental well-being? It can also help grow empathy by allowing readers to experience different perspectives. With so many benefits, building a consistent reading habit is something worth celebrating!

Our students have been hard at work preparing for upcoming school and district reading events. Over the next couple of weeks, two Grade 4/5 Reading Link teams will compete for a spot at the district challenge—and in practice rounds, the scores have been incredibly close! The district-winning team will have the opportunity to advance to the Fraser Valley competition.

Meanwhile, our middle school team (Grades 6–8) is gearing up for the Amazing Book Race. This dedicated group of seven students is reading nine titles, creating a banner, producing a video book trailer, and enjoying time connecting over great books. This is especially exciting as it marks the first post-COVID Amazing Book Race event—and the first time RTCS has ever had a team participate!

In our younger grades, many K–5 Super Readers are nearing their impressive goal of 200 nights of reading. Students earn small prizes for every 25 nights of documented reading, and at 100 nights, they are celebrated at an assembly with a certificate and a special prize generously provided by the Kiwanis Club of Chilliwack. Those who reach 200 nights will be recognized at our year-end assembly—what an incredible achievement!

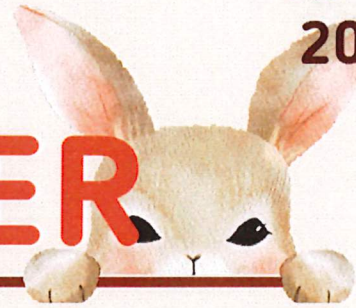

Finally, a heartfelt thank you to everyone who supported our recent elementary Read-A-Thon. Your generosity is helping us keep our library collection fresh and engaging for all students. We are so grateful to be part of such a supportive community.
